Camping

April 25th-29th,
Pedernales Falls State Park

Relax and recharge beside the Pedernales River just 30 miles west of Austin. We have 4 camp sites with water and electricity reserved for four nights as there is so much to see and do in the area. The wildflowers should be in full bloom and there are two bird blinds in the park which make for easy bird watching. There are plenty of hiking trails and the river is great for swimming, wading or tubing. Nearby attractions include the LBJ National Historical Park and the LBJ State Park & Historic Site. This is a popular trip so there may be a waiting list. Contact Nancy to sign up.
