Remembering Jeanette Flowers

March 12, 1949 - July 4, 2021

2009 Kayaking Trip in Maine

Janet Smith - Jeanette had such an optimistic outlook and spirit and the one thing I will really miss is her laugh. Does anyone have a video of that contagious sound?

One of my many happy memories of Jeanette is on a walk at White Rock Lake about 15 or so years ago. I think it was in April and her phone kept ringing and she had to answer since it was tax season. All of sudden I could hear her speaking this cryptic foreign language of numbers and letters that showed a whole different side of her than I ever witnessed before: her CPA side! It was so interesting to see her switch into that mode so effortlessly and effectively.

I'm glad to have known her, done so many fun things with her, and have helped her a bit when she was injured.

Rosie Alaniz - Personally, I have so many memories of Jeannette, but her contagious laugh was something that I always loved about her. Whenever I heard her laughing, I knew that EVERYTHING was ok! We will miss her and we hope her family finds soon, peace and comfort.

Allison Gilani - Jeanette was my travel buddy and roommate at The Heidelberg in New Braunfels one year (2019) and was the only one brave enough to go on the float trip with me. We had a wonderful float and you could hear her laugh all the way down the river. I'm so sorry she's gone. I'm glad I have those delightful memories of her!

Vicki Flynn - Jeanette was such a beautiful spirit with a wonderful infectious laugh and always smiling. I have such awesome memories of our many trips together that I will hold near and dear to my heart.

Rest in peace Jeanette.
