### **WILD DFW: NEVER SEE NORTH TEXAS NATURE THE SAME WAY AGAIN!**

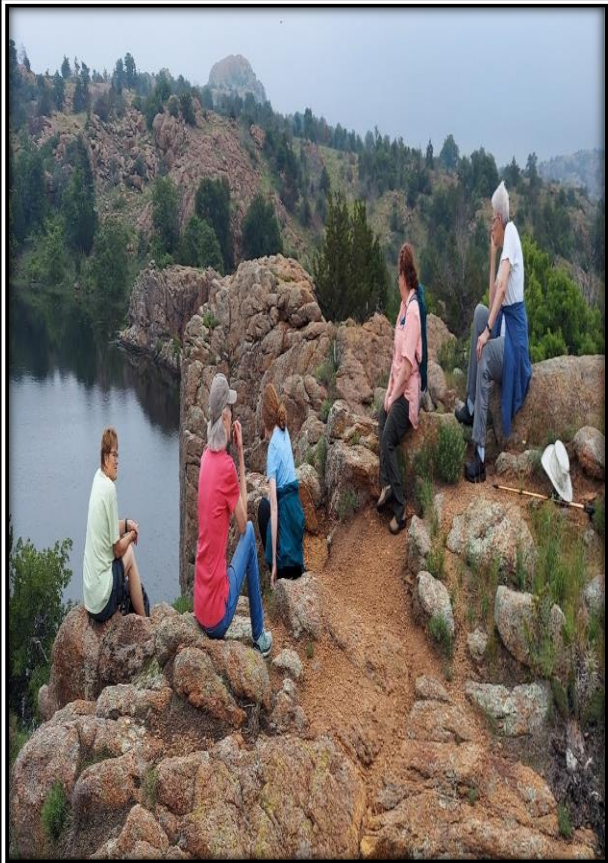

Author and naturalist Amy Martin weaves inspiring passages from her book *Wild DFW: Explore the Amazing Nature Around Dallas-Fort Worth* with rhapsodic descriptions of the natural history and ecology of North Texas. Astounding color photos of nature bring alive peak experiences from the 25 featured hiking adventures through hardwood bottomland forests, soaring limestone escarpments, vast wetlands and winding waterways, rare remnants of Blackland and Fort Worth Prairies, and well-preserved swaths of Eastern Cross Timbers "cast iron forest." Get to know a diverse community of volunteers working for nature.

*This will be a fun event! We hope you can come!*

# DELICIOUS BLACK BEANS AND CORN SALSA

By Ann Meyer

We had a great time at Ann Meyer's home, who was very gracious to not only offer her home for our June meeting, but also shared with us her delicious and healthy recipe of black beans and corn salsa. Yummy!!

1 can black beans, rinsed and drained  
3/4 cup corn kernels, fresh and cooked,  
canned, or thawed frozen  
2 large firm-ripe tomatoes, cored, seeded,  
and diced  
2 T. finely chopped cilantro (optional)  
4 green onions, thinly sliced  
juice of one medium lime  
small can mild green chilies  
1/3 cup chunky salsa  
1 T. red wine vinegar  
1/2 tsp. each sugar and ground cumin  
salt and pepper to taste.

**Below, some of the members that attended our planning June meeting. Come and join us next time and don't miss any of our future meetings!**
