## Traditional Inks Lake February Campout By MJ Steele

Our traditional Ink's Lake State Park visit was Feb. 28 through March 3. This is one of our favorite parks! The first 2 days of camping were chilly but as we all know, Texas weather changes. The last 3 days were beautiful and sunny. We had many activities while we were there. Some campers visited Longhorn Caverns and LBJ National Historical Park, geocaching, hiking on one of our favorite trails, attending ranger talks and kayaking. We are an active bunch! At night we gathered around the campfire to talk about the adventures of the day. Thanks, Barbara Minyard for another successful Ink's Lake visit!
