**One hundred plus women descend on Martin Dies, Jr State Park!**

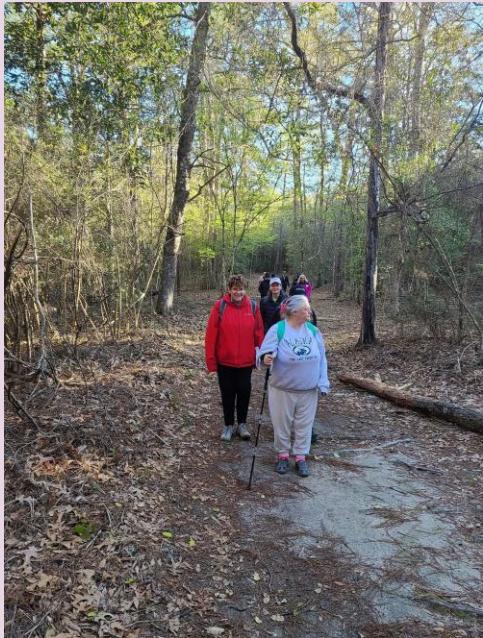

Women from all across Texas enjoyed this beautiful park. Events ranged from hiking, kayaking and biking, to educational classes on all types of fishing ( conventional, fly and tenkara) wilderness first aid and CPR. Dallas Townies stepped up and led several events. Shirley led a hike on the Slough Trail. Barb Cutter led a kayaking paddle on the Neches Trail. Melissa Brown took lead on the Dallas Groups S'more night. Shirley and Karen Tuberville participated in the dump cake cook off and our own Karen T had the winning entry with Shirley a close second. Both cakes were delicious! The fishing classes were amazing. A shoutout to Keira Quam with Texas Parks and Wildlife for providing the training. There is already talk for another all Town event for next year!
